E. CALCULATION OF TIME

Unless otherwise indicated by these rules, when computing any period of time prescribed or allowed by these rules, the “days” specified shall be calendar days. The day from which the period begins to run shall not be included. The last day of the period shall be included, unless it is a Saturday, Sunday or legal holiday. 3. If a motion for leave to participate as amicus curiae is granted, the amicus may file, at the Court's discretion, a brief in support, a memorandum in opposition, or other such documents as the Court allows. The citation shall inform the defendant that he or she may be arrested if he or she fails to appear either at the Clerk's office or at the time and place stated in the citation.

C. FILING OF CRIMINAL COMPLAINTS, CITATIONS - LIMITS

1. To ensure accurate, expeditious processing of criminal complaints and citations, unless otherwise ordered by the Court, no more than fifty (50) criminal cases will be accepted for filing in the Housing Division on any one day.

1. Criminal summons and complaints (other than minor misdemeanor citations), including an arraignment date, shall be served on defendants by certified mail from the Clerk (including any duly appointed deputy of the Clerk of Court). Bailiff service shall be attempted if the certified mail is returned unclaimed. If service has not been completed within eight (8) weeks, the Court may order a warrant to issue. The Court may shorten this period for good cause.

2. Minor misdemeanor citations, including an arraignment date, shall be served on defendants via certified mail by the City of Cleveland. Bailiff service shall be attempted if the certified mail is returned unclaimed. If service has not been completed within seven (7) weeks, the Court may order a warrant to issue. The Court may shorten this period for good cause.

3. To allow adequate time for the proof of service to reach the docket and be placed in the court file, the Clerk shall issue service of process in all criminal cases at least twenty-one (21) days prior to the Court date. If the Court sets a hearing to occur fewer than twenty-one (21) days in the future, and the Clerk is required to issue service on that case, the Clerk shall issue service within two business days of receipt of the entry from the Court setting the new court date.

4. The City of Cleveland's failure to provide a good service address may result in dismissal of the citation or complaint.

F. WARRANT AND SUMMONS

1. Pursuant to Crim.R. 4 and 4.1, the Court may obtain a defendant's appearance either by serving a summons upon the defendant or by issuing a warrant for the defendant's arrest.

2. When a defendant is notified of an outstanding arrest warrant and voluntarily reports to the Court as a result of this notification, the Court shall schedule a new court date by preparing and journalizing a judgment entry. The judgment entry may also recall any outstanding arrest or capias warrant and require defendant to post bond, as determined by the Judge. The Court shall inform the defendant of the new court date when the warrant is recalled and any required bond has been posted.

G. ARRAIGNMENT

1. Initially, all cases shall be set for arraignment within six (6) weeks of filing. At the arraignment the defendant will be required to present a photo ID, along with vital statistics, to the Court. Arraignments may be conducted by the Judge or a Housing Division Magistrate.

2. If a defendant corporation or business entity does not have counsel at the time of the arraignment hearing or its attorney has failed to file a Notice of Appearance and Authorization to Enter Plea pursuant to Local Rule 1(G)(3), unless otherwise ordered by the Court, the case will remain on the Court's Arraignment Docket for two hearings. If the defendant corporation or business entity fails to obtain legal representation or its attorney fails to file a Notice of Appearance and Authorization to Enter Plea by the date of the second arraignment hearing, then the case will be referred to Housing Court's Corporate Docket.

3. If a defendant corporation or business entity's case is referred to the Court's Corporate Docket, unless otherwise ordered by the Court, the case shall remain on the Corporate Docket until an attorney on Defendant's behalf files a Notice of Appearance and Authorization to Enter Plea.

Said major credit card must be one issued by a bank or other recognized and established institution and must have a credit balance sufficient to cover the bail amount.

4. The Clerk shall compile, and submit to the Court for approval, a list of the issuers whose credit cards are to be accepted for use in making bail under this section. The list shall include the names of the cards issued by each issuer.

5. No credit card transaction shall be permitted if said transaction will result in a service charge against the Clerk.

I. PRETRIAL CONFERENCES; VIDEO APPEARANCES

1. The Court may order one or more pretrial conferences in accordance with Crim.R. 17.1.

2. Unless otherwise ordered, all parties and counsel must attend all scheduled pretrial conferences. Failure to appear for pretrial may be punished as contempt of court. The Court may instruct the parties to conduct an informal pretrial outside the presence of the Court.

3. The Court, upon motion by a party or on its own initiative, may permit one or more parties to appear for pretrial and status conferences via video conferencing. The motion of a party to appear via video conferencing must be made in writing. Approval for appearance via video conferencing may be conditioned upon posting of bond or other terms as determined by the Court. Appearance via video conferencing may also result in assessment of additional costs. Motions requesting leave to appear via video conference must be filed no later than fourteen (14) days prior to the pretrial or conference.

J. SETTLEMENT CONFERENCES

1. In addition to any scheduled pretrial conferences, the Court may order a settlement conference, which shall be conducted by a conference manager, who may be the Judge, a magistrate, a judicial clerk or an alternative dispute resolution specialist. Parties should be

prepared at the settlement conference to make vigorous effort to achieve settlement. As part of the settlement conference process, the conference manager shall review with the respective parties the facts of the case, the strengths and weaknesses of the respective positions, and the consequences of proceeding to trial. Parties and counsel should allocate at least two (2) hours for the settlement conference.

2. All parties and counsel are required to attend the settlement conference. In addition, other concerned individuals or entities (e.g. neighbors, contractors, etc.) may be invited to attend.

K. MOTIONS

1. All motions, except those made during trial or hearing, shall be made in writing. Pretrial motions shall be filed within the time limits established by the Ohio Rules of Criminal Procedure. Post judgment motions shall be filed and served not less than fourteen days before the time specified for the hearing. Where the continuance is sought because counsel is scheduled to appear in another case assigned for the same date and same time, the motion must include an attached copy of the conflicting assignment.

2. A party shall not file a motion prior to the entry of a plea, except those motions listed as exceptions in Crim.R. 12.

3. A copy of any motion filed with the Clerk must also be served on the prosecutor of the City of Cleveland Law Department, 601 Lakeside Avenue, Room 106, Cleveland, Ohio 44114. Failure to serve a copy, as indicated herein, shall constitute a failure to file and may be grounds for striking the motion.

4. Upon the filing of a pretrial motion, the Clerk shall time stamp and file the motion and shall forward the motion and the case file to the Housing Division within three (3) business days. Upon the filing of a post-judgment motion, the Clerk shall time stamp and file the motion and shall forward the motion and the case file to the Housing Division within five (5) business days.

5. To expedite its business, the Court may rule upon motions based upon the briefs, memoranda and supporting affidavits, if any, without oral hearing.

6. Pretrial motions shall be ruled on within one hundred twenty (120) days of filing. Post-judgment motions shall be ruled upon within forty-five (45) days of filing.

L. TRIAL/JURY TRIAL

Where the maximum sentence is One Hundred Fifty Dollars (\$150) or less, there is no right to a jury trial, and the case shall be tried by the Court. Where the right to a jury trial does exist, a written demand must be made. If a jury demand is timely filed, the case shall be set for jury trial.

2. Any demand for jury must be in accordance with the Ohio Rules of Criminal Procedure and must be filed with the Clerk no later than the later of (i) ten (10) days prior to the date set for trial OR (ii) on or before the third day after receipt of the notice of the date set for trial.

M. SUBPOENAS ISSUED BY THE COURT

3. All subpoena returns by the Bailiffs must be docketed within one week of filing by the Clerk of Courts.

N. SENTENCING

Sentencing hearings shall be set within forty-five (45) days from finding. For good cause shown, this period may be extended to one hundred eighty (180) days.

O. TIME TO PAY

1. At the time of sentencing and after sentencing, when a fine is imposed for a misdemeanor, the Court, in its discretion, may permit the payment of all or any portion of the fine in installments, upon such terms as the Court considers just. The Court may enlist the services of the Clerk in arranging a payment plan; however, under no circumstances may the payment plan exceed two (2) years.

2. Failure to comply with the payment plan may subject the defendant to sanctions, including but not limited to, revocation of the payment plan, punishment for contempt of court, and/or conversion of the fine and costs to a civil judgment as allowed by Ohio Revised Code ("R.C.") 2929.18.

P. SELECTIVE INTERVENTION PROGRAM

2. All persons referred to the SIP shall be assessed a non-refundable administrative fee of one hundred dollars (\$100.00). The Court shall render an explanation of the program and the fee to the defendant prior to referral for screening.

3. For good cause shown, the Court may waive the SIP fee if the Judge is satisfied that the defendant is indigent or otherwise unable to pay.

4. Pursuant to R.C. 1901.14, the SIP administrative fee shall be paid to the Clerk of the Cleveland Municipal Court, who shall pay the fee directly to the Treasurer of the City of Cleveland.

5. The Clerk shall accept the SIP fee in cash, personal check, certified check, money order or upon a valid major credit card. Said major credit card must be one issued by a bank or other recognized and established institution and must have a credit balance sufficient to cover the amount of the fee.

6. If the defendant is found not eligible or removed from the SIP docket, the case shall be returned to the Judge's docket, and the defendant shall be given a new court date by the Court.

7. Upon successful completion of the SIP, the Court may grant the City of Cleveland's motion to nolle and dismiss the criminal case.

Q. TIME SCHEDULE FOR DELETION OF WARRANTS

Each month the Clerk shall prepare a docket (print out) of cases wherein a summons or warrant has not been executed within the guidelines established by this Rule. Upon the Court's determination that the prayer exceeds the limitation, the Court will issue an order directing transfer of the matter upon payment of \$73 to the Clerk of Courts by the party whose pleading exceeded the limitation. The party will then have 14 days to request transfer and pay the transfer fee. The opposing party may request the transfer and pay the fee if they wish.

3. Upon timely request for transfer and payment of the fee, the matter shall be transferred to the Housing Division's General Docket and the Court shall issue a case management order. Upon a failure to timely request the transfer *and* pay the transfer fee, the Court shall deem the claim for damages to be amended to the statutory limit and the matter shall proceed on the Small Claims docket of the Housing Court on that basis.

SECTION 4 MAGISTRATES

A. MAGISTRATES

The magistrates of the Housing Division, or such other magistrates as assigned by the Court, are empowered to hear and report on all cases.

B. JUDGMENTS CONFIRMING MAGISTRATE'S DECISION

The Housing Division Judge shall act on all magistrates' decisions in conformance with Civ.R. 53.

C. OBJECTIONS TO MAGISTRATE'S DECISIONS

1. Filing objections to a judgment on the eviction does not operate as an automatic stay of enforcement of that judgment. A party seeking a stay of execution on the eviction judgment (i.e. stay of the move-out) must file a written request for such stay. The move-out shall proceed unless the request for stay is granted. **IF A MOVE-OUT HAS BEEN ORDERED, PARTIES SHOULD FILE THEIR OBJECTIONS PROMPTLY.** Objections to an eviction ruling shall be ruled upon within fourteen (14) days of hearing or assignment, where no hearing is to be held.

2. For good cause shown, and upon the objecting party so requesting, the Court may extend the timeframe within which to submit the transcript or affidavit. Failure to submit a transcript or affidavit may result in summary overruling of the objections.

SECTION 5. ALTERNATIVE DISPUTE RESOLUTION SERVICES

A. OHIO UNIFORM MEDIATION ACT

Cleveland Municipal Housing Court incorporates by reference R.C. 2710 Uniform Mediation Act (“UMA”).

B. ALTERNATIVE DISPUTE RESOLUTION SERVICES (Mediation and Settlement Conferences)

Prior to trial on the eviction, the parties shall have the opportunity to fashion a resolution to their dispute through Alternative Dispute Resolution Services (mediation and settlement conferences) offered at no cost to the parties by the Housing Court.

C. ALTERNATIVE DISPUTE RESOLUTION SERVICES AVAILABLE ON DATE OF TRIAL

A sign shall be posted outside the courtroom where eviction hearings are held informing the parties of the opportunity for ADR mediation. On the day of the trial, the magistrate or the services coordinator will announce the availability of ADR mediation. If both parties request or agree to explore ADR mediation, or a magistrate requests mediation, they shall be referred to ADR mediation.

D. CONFIDENTIALITY OF ALTERNATIVE DISPUTE RESOLUTION COMMUNICATIONS

Any communications made in the course of and relating to the subject matter of an ADR conference are confidential. No such communication shall be disclosed or subject to subpoena in a civil, criminal or administrative proceeding, except as provided in the Ohio Revised Code and Ohio case law.

E. CASES ELIGIBLE FOR MEDIATION

1. The Court has discretion to refer parties to mediation in any eviction claim, or any other civil matter brought before the Court. The Court may issue an order on its own motion, upon the motion of counsel, upon the request of a party, or upon referral by the mediator.
2. The Court shall prohibit the use of mediation in any of the following:
 - a. As an alternative to the prosecution or adjudication of domestic violence;
 - b. In determining whether to grant, modify or terminate a protection order;
 - c. In determining the terms and conditions of a protection order; and
 - d. In determining the penalty for violation of a protection order.

F. REFERRAL TO RESOURCES

The court administrator shall maintain resources for mediation parties, including victims

and suspected victims of domestic violence, and encourage appropriate referrals to legal counsel and other support services, such as children's services, domestic violence prevention, counseling, substance and mental health services.

SECTION 6 EVICTIONS

A. NOTICE TO LEAVE PREMISES

1. The language required by R.C. 1923.04(A) to be printed or written in a conspicuous manner in the notice to leave the premises ("Notice") will be presumed by this Court to be conspicuous where the printing or writing of that language is (1) at least twice as large as all other printing or writing on the Notice and (2) printed or written in contrasting, bold face type or writing. Other elements that may assist in meeting the requirement that the statutory language be conspicuous may include combinations of all capital letters, contrasting color, borders or other such elements to be determined on a case by case basis.

2. Proof of service and a copy of the Notice required by R.C. 1923.04(A), (C) or R.C. 5313.06 **must be attached to the complaint**. Failure to do so may result in sanctions, up to the dismissal of the complaint without prejudice.

B. COMPLAINTS FOR EVICTION

An eviction action may be filed as the sole claim in a given case or may be filed in conjunction with additional claims, such as a claim for money damages.

C. CLAIMS

The Housing Court bifurcates the eviction from the claim for money damages. However, the claims may be combined for hearing where (1) a party timely files a jury demand, (2) a party timely files, and the Court grants, a motion for bench trial or (3) the Court so orders for other good cause.

D. SPECIFICITY OF COMPLAINTS

1. Eviction complaints shall comply with Civ.R. 7 through 15. In addition, the complaint shall state a street address of the plaintiff. A plaintiff's address stated as a post office box is insufficient. The complaint shall also (1) identify the trust where the plaintiff is a trustee and (2) identify the property owner where the plaintiff is an agent. Failure to include the property owner in the complaint and on the designation sheet may result in sanctions, up to dismissal of the complaint without prejudice.

2. The grounds for the eviction shall be stated with sufficient specificity to allow the defendant to understand the grounds for the eviction and to formulate a defense, if any. The grounds include, but are not limited to, the following:

- a. non-payment of rent;
- b. termination of a periodic tenancy pursuant to R.C. 5321.17;
- c. expiration of lease;
- d. non-color of title;
- e. violation of R.C. 5321.05(A)(9) (drug activity);
- f. breach of a specific obligation imposed by R.C. 5321.05; or
- g. breach of a specific obligation imposed by a written rental agreement (other than non-payment of rent).

3. Where the parties have executed a written rental agreement (lease), it shall be stated in the complaint, and the rental agreement shall be attached to the complaint, pursuant to Civ.R. 10(D).

4. If the complaint includes a claim for money damages, it shall include the following:

- a. the amount of monthly rent;
- b. the amount of the security deposit, if any;
- c. the month(s) and year(s) for which plaintiff is seeking back rent;
- d. late fees, if any;
- e. the request that rent be awarded until the defendant/tenant vacates or until the lease expires; and
- f. the estimated amount and type of property damage sought, if any.

5. Failure to comply with the requirements of this Local Rule may result in dismissal of the complaint or other appropriate sanctions.

E. EVICTION COMPLAINTS INVOLVING A DECEASED RESIDENT OF A MANUFACTURED HOME PARK

1. In an eviction action against a deceased resident or deceased resident's estate, plaintiff shall file an affidavit stating that it has searched the appropriate probate records to determine whether a probate court has granted letters testamentary or of administration for the estate.

2. If a probate court has granted letters testamentary or of administration for the estate, plaintiff shall provide the Clerk of this Court the name and address of the probate court, case number of the estate, and name and address of the executor or administrator.

3. If a probate court has not granted letters testamentary or of administration, plaintiff shall provide the Clerk of this Court with the names and addresses of the deceased resident's spouse, if any, and any other member of the deceased resident's immediate family known to the plaintiff.

4. If, after a search of the appropriate records, plaintiff cannot determine whether a probate court has granted letters testamentary or of administration and/or does not possess the information required in paragraphs 2 and 3 of this section, plaintiff shall file an affidavit with the Clerk of this Court stating that plaintiff does not possess such information.

F. EVICTION COMPLAINTS INVOLVING TERMINATION OF A LAND CONTRACT

1. Within three (3) days of receiving a judgment terminating a land contract, plaintiff must prepare and file with the Clerk a forfeiture entry suitable for recording with the Cuyahoga County Recorder's Office. The entry must be in a form substantially similar to Form 6A of these Rules. The entry must contain the street address of the premises, the permanent parcel number, document identification of the filing of the land contract, and must indicate that the vendee's interest has been forfeited.

2. Upon the Court's issuance of a forfeiture entry, plaintiff shall obtain a certified copy of the entry from the Clerk and file it with the Cuyahoga County Recorder no later than fourteen (14) days after journalization. Failure to do so may result in citation of the party or counsel for contempt of court.

G. SERVICE OF PROCESS

1. Except as provided in paragraph 2 and 3 below, service of process in eviction actions shall be made pursuant to the Ohio Rules of Civil Procedure and may be accomplished by mail, bailiff service or publication. The plaintiff shall file a written request for the method of service. Plaintiffs may retain, at their own costs, a process server to complete personal or residence service.

2. Pursuant to Civ.R. 1(C)(3), where mail service has been requested, the Clerk shall send service of summons to defendant(s) simultaneously by certified mail pursuant to Civ.R. 4.1 and by ordinary mail pursuant to Civ.R. 4.6. The eviction hearing shall go forward on the scheduled date of trial except where (1) the certified mail is returned undeliverable or (2) the certified mail has not been endorsed and the ordinary mail has returned.

3. Service of process on a deceased resident of a manufactured home park shall be made pursuant to R.C.1923.06(F).

H. SERVICE – WHERE MAIL RETURNS UNDELIVERABLE

1. Where either certified or regular mail returns undeliverable (for example "undeliverable as addressed", "no such number", "moved left no address", "forwarding order expired", or "vacant"), plaintiff may not reissue service to the defendant at the failing address absent further verification of the accuracy of the address.

2. Where mail returns undeliverable as described above, plaintiff may proceed by (1) obtaining documentation from the Post Office indicating that the address is correct and then filing a motion (with the documentation attached) seeking reissuance of service documents at the address, (2) requesting personal or residence service at the address via bailiff or duly appointed process server, or (3) where the eviction address is incorrect, filing an amended complaint indicating corrected or new addresses (mailing and/or eviction) for defendant(s) and requesting issuance of service documents.

3. Where mail returns undeliverable as described above on a complaint for eviction joined with a claim for money damages and plaintiff wishes to proceed solely on the claim for money damages, then plaintiff may file an amended complaint seeking money damages only and stating a new address for defendant. Plaintiffs seeking money damages only must comply with the service requirements under Civ.R. 4 et seq.

I. LIMITS ON FILINGS

Unless otherwise permitted by the Court, no plaintiff may file more than forty (40) eviction cases, including no more than five (5) cases based upon grounds other than non-payment of rent, to be heard on any given call.

J. SCHEDULING EVICTION HEARINGS

1. The eviction shall be set for hearing at 9:00 a.m. twenty-one (21) days from the filing date, unless otherwise ordered by the Court.

2. If the twenty-first day from the filing date is a Court holiday, the eviction shall be set for hearing on the next business day, unless otherwise ordered by the Court.

3. Where any one plaintiff files ten (10) or more eviction cases on any one day, such cases will be scheduled for trial at 10:30 a.m. on the appropriate call day, unless otherwise ordered by the Court.

K. ANSWERS, MOTIONS, JURY DEMANDS

If the defendant files an answer, a motion or a jury demand in an eviction case and the filing causes a new hearing date to be set, the parties shall be notified of the new hearing date by

ordinary mail, or by such other means as the Court determines are likely to result in adequate notice to the parties.

L. DEFENSES

At trial on the eviction, the defendant may assert any defense to the eviction without having filed a written answer. If the complaint alleges a claim for money damages, any answer to the claim for money damages must comply with Civ.R. 7 through 15.

M. SPECIAL NEEDS: DEPARTMENT OF AGING, VETERANS SERVICES, ETC.

Certain defendants may be eligible for assistance through the Department of Aging, various veterans programs, or any other community based programs. The Court may refer tenants, potentially eligible for such assistance, to these programs.

N. COUNTERCLAIMS UNDER R.C. 1923.061(B)

When the action is based, in whole or in part, on non-payment of rent for residential premises, and during the hearing on the eviction there is evidence presented that the conditions of the premises are at issue or that the provisions of R.C. 3733 or R.C. 5321 may have been violated, the Court shall determine whether an action under R.C. 1923.061(B) is appropriate. If the action is to proceed under R.C. 1923.061(B), the eviction and money damages claims shall be tried together.

O. R.C. 1923.061(B) INITIAL ORDER

1. Where the Court grants a tenant leave to proceed under R.C. 1923.061(B), the Court shall make an initial order including, but not limited to the following:

- a. Defendant is to (a) file an answer and/or counterclaim and (b) deposit a stated sum under the case number with the Clerk by end of business on a date specific. The date specified shall be no more than ten (10) days after the initial hearing date. In the order, the Court shall state the amount of monthly rent and the months represented by the deposit amount.
- b. The matter shall be set for status hearing within three (3) days after the date for deposit.
- c. The Court shall request an inspection of the premises by the Division of Building and Housing.

2. In the event the defendant deposits as ordered, the matter shall proceed under R.C. 1923.061(B). The status hearing may be converted to a pretrial on all claims of the parties and the matter may be referred to ADR Services (mediation or settlement conference). The Court may order defendant to continue depositing rent monthly by a specified date during the

pendency of the action. Should the defendant either fail to file a counterclaim or fail to deposit as ordered, the matter shall proceed to hearing on the eviction on the date of the status hearing.

P. JUDGMENTS UNDER R.C. 1923.061(B)

1. When a defendant/tenant has asserted a counterclaim under R.C. 1923.061(B), the Court shall:

- a. Enter judgments on the plaintiff's claim for money damages and the defendant's claim for money damages;
- b. Where judgment is entered in favor of plaintiff on plaintiff's claim for money damages, of that judgment amount, state separately the amount attributable to plaintiff's claim for rent and the amount attributable to plaintiff's claim for damages;
- c. Based only on the amount of plaintiff's claim for rent and the defendant's claim for damages, determine to whom a net judgment is owed and the amount of that net judgment ("net judgment"); and
- d. Disburse the rent paid into Court by the defendant, if any, as follows: first, to the party to whom the net judgment is owed in an amount not to exceed the net judgment; secondly to the defendant.

2. If (1) the net judgment is in favor of plaintiff, and (2) the defendant prevailed, in whole or in part, on the counterclaim, and (3) the net judgment is not fully satisfied by the disbursement in 1(d) above, then the defendant shall be entitled to pay the plaintiff within five (5) days from the journalization of the decision, by depositing the amount necessary to fully satisfy the net judgment with the Clerk under the case number.

3. If the net judgment is owed to the defendant or, after application of 1(d). above, the net judgment is fully satisfied, then judgment shall be entered for the defendant in the eviction.

Q. ENFORCEMENT OF EVICTION JUDGMENT: WRITS AND MOVE-OUTS

1. If judgment is for plaintiff on the eviction, unless otherwise ordered by the Court, the plaintiff may immediately purchase a writ of restitution and schedule a move-out with the Eviction Unit bailiffs.

2. Writs must be timely purchased. Timely purchase is determined according to the following:

- a. Within sixty (60) days of the date of the judgment.
- b. Where the judgment is more than sixty (60) days old, but less than one (1) year old, plaintiff must file a Motion for Leave to Purchase a Writ and serve a copy of the motion on the defendant(s). The Court may schedule a hearing on the motion or decide the motion on the filings of the parties. Upon the granting of the motion, plaintiff may purchase a writ and schedule a move-out.
- c. Plaintiffs may not purchase a writ, or schedule a move-out, on judgments granted more than one (1) year prior to the date of purchasing the writ.

3. Writs are issued by the Clerk's office prior to the move-out. If a writ has not issued within forty-five (45) days of purchase, the Court may, in its discretion, require plaintiff to file a Motion for Leave to Purchase a Writ and serve a copy of the motion on the defendant(s). The Court may schedule a hearing on the motion or decide the motion on the filings of the parties. Upon the granting of the motion, plaintiff may purchase a writ and schedule a move-out.

4. Writs must be executed upon (i.e. the scheduled move-out must occur) within ten (10) days of issuance by the Clerk's office. If a move-out is stayed or canceled, and more than ten (10) days pass between the date the writ issued and the new move-out date, the plaintiff must purchase a new writ, unless waived by the Court.

5. The Clerk shall maintain all writs of restitution for five (5) years from the date of execution.

R. SCHEDULING THE MOVE-OUT

1. In order to arrange for the physical removal of the defendant and their belongings, the following must occur:

- a. Plaintiff must purchase a writ of restitution from the Clerk;
- b. Plaintiff must present the receipt for the writ to the bailiffs in the Eviction Unit of the Court; and
- c. Upon presentation of the receipt, the bailiff shall schedule a move-out date, inform the plaintiff of the scheduled date and provide plaintiff with a list of insured and/or bonded movers and instructions for the move-out process.

2. To permit the City to guard against health and/or safety problems created by the placement of personal property on the tree lawn during move outs, the Bailiffs' Department shall send to each Councilperson a list of the move outs scheduled in that Councilperson's ward, one week before the move out, and, again, on the day of the scheduled move out.

3. Move-Outs

- a. Every move-out scheduled by the Court pursuant to a writ of restitution shall be supervised by one or more of the Housing Court bailiffs. The actual physical move-out of defendant's belongings shall be conducted by insured or bonded movers hired by plaintiff.
- b. Plaintiffs scheduling move-outs must contract with an insured or bonded moving company for the physical removal of the defendant's personal property from the subject premises. The moving company must be present at the premises at the time of the scheduled move-out.
- c. On the scheduled date and hour, the Housing Court bailiffs shall meet the plaintiff, or his/her agent, at the premises. The bailiffs shall enter the premises and remove all inhabitants not lawfully entitled to possession. The movers shall then conduct the actual physical move-out and place the defendant's personal property on the tree lawn.
- d. To minimize the likelihood of the personal property being rummaged through or scattered on the tree lawn the movers shall place all loose items of personal property on the tree lawn in sealed, opaque bags or boxes.
- e. The plaintiff in an eviction action is subject to the requirements of the City's Codified Ordinances, including CCO 209.01 which declares trash, junk, garbage and all other waste materials to be a nuisance on the property on which they are found. To that end, plaintiff may remove and dispose of items from the tree lawn not removed by the tenant three hours after completion of the court-supervised move out, or at 5:00 p.m. on the day of the move out, whichever is earlier. If plaintiff pays for removal of the items, plaintiff may plead these costs as damages in the money damages portion of the action.
- f. Should plaintiff fail to comply with the City's Codified Ordinances regarding the prohibition of trash and other waste materials on the property and paragraph E, above, in addition to the remedies set forth in the City's Codified Ordinances, the City may seek to recover the cost of any clean up from the plaintiff. If the City's assessment of costs against the plaintiff becomes final, then the Court may require plaintiff to pay those costs prior to proceeding with any additional move outs. Should plaintiff fail to do so after being ordered by the Court, the Court may enforce that order through contempt proceedings, may require plaintiff to post a bond before proceeding with future move outs, or may impose such other sanctions as it deems appropriate.

4. Whenever operational needs permit, the bailiffs shall visit the premises on the day following the move out, to determine whether debris remains on the tree lawn. If it does, the bailiffs' department may contact the plaintiff, the appropriate City department, or both, regarding the condition and clean-up of the tree lawn.

5. Move-out Contents – Volume, Hazardous Nature

a. The Court recommends that plaintiffs inspect the premises prior to scheduling the move-out date. On the scheduled move-out date, if the Housing Court Chief Bailiff, or Housing Court Chief Bailiff's designee, determines that the volume or nature of the contents of the premises is such that removal of the contents to the tree lawn would create a health or safety hazard, the move-out may be canceled. Thereafter, plaintiff may be permitted to schedule a new move-out date in conjunction with a special waste collection, to be scheduled by the plaintiff. The costs of the special waste collection initially shall be paid by the plaintiff, who may plead such costs as damages in the money damages portion of the action.

b. In addition, if prior to or on the scheduled move-out date, the Housing Court bailiff determines that the removal of the defendant's personal property from the premises to the tree lawn could create a hazard due to an infestation of insects, vermin, etc., the move-out may be canceled, and the Court may request an assessment of the premises by the Health Department. If the Health Department determines that removal of the contents of the premises would create or exacerbate a health hazard, the Court may require the plaintiff to abate the hazard in a manner approved by the Court (e.g. through extermination by a licensed pest control service) prior to proceeding with the move-out. The cost of the pest control service initially shall be paid by the plaintiff, who may plead such costs as damages in the money damages portion of the action.

c. Some move-outs, whether commercial or residential, present unique circumstances that make it impossible, impractical, or hazardous to conduct the move-out in the manner described in 6(R), above. Unique circumstances may include, but are not limited to, occupants of the premises diagnosed with, or having been in close contact with a person(s) diagnosed with an infectious contagious disease. In those cases in which the move-out presents unique circumstances, the Housing Court Chief Bailiff, or Housing Court Chief Bailiff's designee, shall have authority to determine the most appropriate means of executing on the writ of possession and restoring possession of the premises to the plaintiff. This determination may be made prior to, on the date of, or during any move-out. The means of move-out may include, but are not limited to, physical removal of the contents to the tree lawn, physical removal of the contents to a dumpster or other container obtained by plaintiff (at plaintiff's cost and expense),

changing of the locks without removal of the contents, placement of the contents into storage, rescheduling the move out, or any other means deemed necessary in the discretion of the Housing Court Chief Bailiff to restore the premises to the plaintiff.

d. Should the Housing Court Chief Bailiff, or Housing Court Chief Bailiff's designee, determine that the circumstances of the move-out require the placement of the defendant's possessions into storage, the moving company must place those goods into storage in the name of the defendant, with the plaintiff paying for the cost of the movers' labor and for moving the property into storage for thirty (30) days. Items may be placed into a storage facility owned by the mover, or by another entity. However, when using storage facilities owned by someone other than the mover, then neither the name of the plaintiff nor the mover may be submitted by the plaintiff or the mover as a co-owner of the property.

e. Should the defendant's personal property be placed into storage and not retrieved by the defendant, that personal property shall be disposed of in accordance with the provisions of the Ohio Revised Code, including R.C. Chapter 1307 (Warehouse Receipts, Bills of Lading and other Documents of Title) and Chapter 5322 (Storage Facilities). This Rule shall apply whether the storage facility is an independent storage facility or one owned by the mover.

6. MOVERS' QUALIFICATIONS

a. Movers performing court-supervised move-outs shall maintain liability insurance or a bond to protect the public against loss sustained by reason of the death of or bodily injuries to persons and for loss or damage to property (except cargo) resulting from the negligence of the mover. The liability insurance shall be in the following minimum amounts: One Hundred Thousand Dollars (\$100,000) for bodily injuries to or death of one person; Three Hundred Thousand Dollars (\$300,000) for bodily injuries to or death of all persons injured or killed in any one accident; and Fifty Thousand Dollars (\$50,000) for loss or damage in any one accident to property of others (excluding cargo). Additionally, movers shall maintain freight cargo liability insurance for the transportation of household goods in the amount of Twenty Thousand Dollars (\$20,000). The insurance policy or bond must include provisions requiring the insurance or bond agents or companies to immediately notify the Housing Division's Chief Bailiff in the event the insurance coverage or bond expires, is limited, revoked or canceled.

b. Movers must be properly registered or licensed with the Ohio Secretary of State, if required by law. This includes a domestic or foreign business entity, such as a corporation, nonprofit corporation, professional corporation, limited liability company, limited partnership, limited liability partnership, or fictitious entity

(including "doing business as" names). A mover who loses its good standing, active registration, or active license or experiences another change in status with the Ohio Secretary of State, must immediately notify the Housing Division's Chief Bailiff of the change in status.

c. Failure to comply with this Rule may result in the removal of the mover's name from the list.

7. List of Movers

a. The Court shall maintain a list of movers who have met the qualifications as indicated in Rule 6(R)(5) and have timely applied for inclusion in the list. The list shall be available to plaintiffs scheduling move-out dates. The plaintiff shall not be required to use a mover from the list, but any mover hired by the plaintiff to perform a court ordered move-out must meet the qualifications listed in Rule 6(R)(5).

b. The Court shall update its list of movers annually. By October 1st of each year, the Court shall post notice that movers' applications are being accepted for inclusion in the annual list. This notice shall be posted outside the courtroom where eviction trials are heard and advertised in the Daily Legal News. Movers interested in being added to the list shall submit a completed application form, along with a copy of proof of insurance or bond coverage and a copy of good standing, active registration or active license with the Ohio Secretary of State consistent with the above requirements, to the Housing Division's Chief Bailiff by November 15th of each year.

c. Movers meeting the above qualifications shall be notified by December 15th of each year that they will be included in the list. Upon notice of inclusion and prior to December 31st of that year, the mover must submit a revised copy of their insurance or bond coverage, containing a provision requiring the insurance or bond agent or company to immediately notify the Housing Division's Chief Bailiff in the event that the insurance policy or bond coverage expires or is limited, revoked or canceled.

d. On January 1st of each year, the Court shall make available to the Housing Court bailiffs and the public its list of movers who have met the above requirements.

8. Conduct of Movers/Penalties

a. A movers' inclusion on the annual list is a courtesy and a privilege

extended by the Housing Court. The mover's status may be revoked or terminated if it comes to the Court's attention that the party or the mover has abused his/her position, falsified any documents or given false testimony, failed to maintain his/her required insurance policy or bond coverage, failed to maintain good standing, registration or license with the Secretary of State, or failed to abide by these Rules, this Court's guidelines for movers, or any other rule or directive of the Court. These issues may be raised on the Court's own motion or upon motion of a party.

b. Movers participating in court-ordered move-outs must conduct themselves in a professional manner, and comply with all court orders and the directives of the Housing Court's bailiffs. Movers may not remove or take away any of the defendant's personal property from the tree lawn or the premises, even after the move-out is completed.

c. If the Housing Court receives credible evidence that a mover has abused his/her position, falsified any documents or given false testimony, failed to maintain his/her required insurance policy or bond coverage, failed to maintain good standing, registration or license with the Secretary of State, or failed to abide by these Rules, this Court's guidelines for movers, or any other rule or directive of the Court, then that mover will be stricken from the current annual list and barred from inclusion on the list and participation in court-ordered move-outs for the subsequent year.

d. If the Court determines that a mover has violated these Rules or the Court's policies and procedures more than once, the Court may permanently remove the mover's name from the list and prohibit its further participation in court-ordered move outs.

S. ENFORCEMENT OF EVICTION JUDGMENT: WRITS, MOVE-OUTS, AND SALES IN MANUFACTURED HOME EVICTIONS

1. If judgment is for the plaintiff in an eviction action involving a manufactured home, mobile home or recreational vehicle ("home or vehicle"), the plaintiff in the request for writ must identify whether plaintiff seeks a writ of restitution under R.C. 1923.13(A) or a writ of execution under R.C. 1923.13(B).

2. Except as provided in paragraph C below, writs in manufactured home evictions shall be subject to the timeliness requirements set forth in Local Rule 6(Q).

3. When a deceased resident or resident's estate has been evicted from the manufactured home park, plaintiff may not purchase a writ or schedule a move-out on judgments granted more than 90 days prior to the date of purchasing the writ.

4. Redemption of Home or Vehicle Prior to Issuance of Writ

a. At any time prior to the issuance of the writ of execution, the titled owner of the home or vehicle may file a motion with the Court seeking an order allowing for the removal of the home or vehicle from the manufactured home park.

b. The titled owner shall attach to the motion evidence that all of the following have been paid:

- i. All outstanding tax liens on the home or vehicle; and
- ii. All court cost assessed against the defendant in the underlying action, unless the owner is indigent.

5. If it is determined that the titled owner paid, or caused to be paid, the items listed in subsection B of this Rule, the Court may issue an order allowing the titled owner to remove the home or vehicle from the manufactured home park.

6. Procedure for Writs Issued Under R.C. 1923.13(B)

a. Prior to filing the request for writ under R.C. 1923.13(B), the plaintiff shall conduct, or cause to be conducted, a search of the public records that relate to the home or vehicle, and make, or cause to be made, reasonably diligent inquiries, for the purpose of identifying any persons who have an outstanding right, title, or interest in the home or vehicle.

b. Request For Writ

- i. If plaintiff seeks a writ pursuant to R.C. 1923.13(B), plaintiff must file a request for a writ of execution with the Cleveland Municipal Clerk of Court. The request shall be in the form of a motion.
- ii. Plaintiff shall attach to its request for writ of execution a copy of the statutory written notice to remove the home or vehicle it provided to the defendant.
- iii. If the public records search described in 6(a) revealed any person(s) with an outstanding right, title or interest in the home or vehicle, plaintiff shall attach to its request for writ of execution a copy of the statutory written notice it provided to the person(s) and the date it was provided.

7. Request for Writ Deceased Resident

a. If plaintiff seeks a writ of execution pursuant to R.C. 1923.12(E)(3),

plaintiff shall indicate in its request for writ that administration, with respect to the resident's estate, has not been granted by the probate court within 90 days of the date of the eviction of the resident from the manufactured home park pursuant to a judgment entered under section R.C. 1923.09 or R.C. 1923.11.

b. d. If the search or inquiries reveal no person who has an outstanding right, title or interest in the home or vehicle, the park operator shall publish notice of the petition for writ of execution in a newspaper of general circulation in the county where the home or vehicle has been abandoned pursuant to R.C.1923.12(E)(3)(b).

b. Upon issuance of the writ of execution, the Chief Bailiff or his designee may cause the home or vehicle and all personal property of the defendant to be retained at its current location, until it is claimed by defendant or disposed of in a manner authorized by R.C. 1923.14(B)(3) or (4).

9. Redemption of Home or Vehicle After Issuance of Writ

a. At any time after the issuance of the writ of execution, the titled owner of the home or vehicle may file a motion with the Court seeking an order allowing for the removal of the home or vehicle from the manufactured home park or other place of storage up to the day before the scheduled sale, destruction, or transfer of

11. Sale of Manufactured Home or Vehicle or Personal Property

a. Sale of the home, vehicle or personal property shall be conducted in accordance with these Rules and R.C. Chapter 2329.

b. *Commencement of Sale.* As soon as practicable but no later than sixty (60) days after receiving a writ of execution, the bailiff shall commence proceedings for the sale of the home or vehicle that is the subject of the writ and abandoned personal property in accordance with the procedures for the sale of goods on execution under R.C. Chapter 2329.

c. At any time after the issuance of the writ of execution, the holder of any outstanding lien, right, or interest in the home or vehicle, other than the titled owner may stop the bailiff from proceeding with the sale by doing both of the following:

- i. Commence a proceeding to repossess the home or vehicle pursuant to R.C. Chapters 1309 and 1317; and
 - ii. Pay to the park operator all monthly rental payments for the lot on which the home or vehicle is located from the time of issuance of the writ of execution until the time that the home or vehicle is sold pursuant to R.C. Chapters 1309 and 1317.

- e. *Value of Home or Vehicle \$3,000 or Less.* Within thirty (30) days after receiving a writ of execution if the home or vehicle is determined to be abandoned, and the value of the home or vehicle is Three Thousand Dollars (\$3000) or less, the bailiff shall present the writ of execution to the Clerk, for the issuance by the Clerk, of a Certificate of Title transferring the title of the home or vehicle to the plaintiff, free and clear of all security interests, liens, and encumbrances.

- h. *Return of Writ of Execution.* Upon completion of the sale of the home or vehicle as described above, the bailiff shall return the writ to the Court. The return shall contain the date of sale, the conditions of sale (e.g. public or private), the sale price, and the name and address of the purchaser.
- i. *Transfer of Certificate of Title.* Upon the return of the writ of execution, if the Court finds that the sale was made in conformity with R.C. Chapters 1923, the Court shall issue an order directing the Clerk to make an entry on the journal that

the Court is satisfied with the legality of the sale and to issue a certificate of title, free and clear of all security interests, liens, and encumbrances, to the purchaser of the home or vehicle.

- j. Failure of Sale Due to Want of Bidders
 - i. If the home or vehicle cannot be sold due to want of bidders after being offered for sale on two (2) occasions, the bailiff shall present the writ of execution unsatisfied to the Clerk for issuance by the Clerk of a certificate of title transferring the title of the home or vehicle to plaintiff, free and clear of all security interests, liens, and encumbrances.
 - ii. If the abandoned personal property cannot be sold due to want of bidders after being offered for sale on one (1) occasion, the bailiff shall file a communication with the Court stating such, and the Court shall issue an Order regarding the disposition of the abandoned personal property.

 - i. The Housing Court Chief Bailiff shall distribute the proceeds of the sale within thirty (30) days after completion of the sale unless, upon motion and for good cause shown, the period is extended by the Court.
 - ii. After distributing the proceeds of the sale the Housing Court Chief Bailiff shall report any remaining money as unclaimed funds pursuant to R.C.169.

T. CLAIMS FOR MONEY DAMAGES-DEFAULT HEARINGS

1. Upon the filing of an eviction action, the Clerk shall schedule a default hearing on the claim for money damages (also known as the "Second Cause"), if applicable.

- b. In cases where the Cleveland Metropolitan Housing Authority is plaintiff, the default hearing shall be set for eight (8) weeks from the date of the eviction hearing.

2. *Notice to Defendant.* If the defendant appears at the eviction hearing, the defendant will be notified in court of the default hearing date on the claim for money damages.

3. *Answer, Appearance of Defendant.* If the defendant files an answer, or other

responsive pleading, to the complaint, the case shall be taken off the money damages default docket and set for a pretrial. If the defendant appears at the money damages default hearing to contest the claim for money damages, for good cause shown, the Court may grant the defendant leave to plead and set the matter for a pretrial.

4. *Default Judgments.* No judgment shall be entered in default cases except upon sworn testimony, given before the Court, by a witness with first hand personal knowledge. In addition, such judgment shall not exceed in amount, the amount as stated in the prayer. See Civ.R. 54(C).

U. MOTION TO SEAL EVICTION RECORD

1. The Court may order the Clerk to seal an eviction record when the interests of justice in sealing the record outweigh the interests of the government and the public in maintaining a public record of the case, including, for example, in the following circumstances:

- a. The court dismissed or entered judgment for the tenant/movant on the claim for eviction;
- b. The landlord dismissed the claim for eviction before adjudication of that claim;
- c. The landlord stipulates, in writing to the Court, to sealing the record, except that sealing of a record solely on the basis of the stipulation by the landlord shall be granted only once in any five-year period ; or
- d. The landlord prevailed on the merits on the claim for eviction, and *all* of the following occurred:
 - i. extenuating circumstances led to the eviction; and
 - ii. at least five years have passed since judgment was entered for the landlord; and
 - iii. at least five years have passed since the tenant has had an adverse judgment granting an eviction in any jurisdiction.

2. Application to have an eviction record sealed must be made by motion. The following conditions apply:

- a. The party seeking to have the record sealed must file a written motion, even if the landlord agrees to the sealing in a settlement agreement or agreed judgment entry. The motion must be accompanied by an affidavit attesting to all relevant facts and a copy of the case docket, and where appropriate, a copy of any settlement or agreed judgment signed by the parties;

- b. The moving party must serve that motion upon the opposing party in the

at that party's last known address, and endorse proof of service on the motion;

- c. The opposing party may file a response within the time specified by the Housing Div. Loc. R. 3(G)(4), supra;
- d. Either party may request an oral hearing on the motion; and
- e. The Court, in its discretion, may order service of the motion or the notice of hearing upon the opposing party by certified mail.

3. The Court may consider all relevant factors when examining a Motion to Seal Eviction Record, which may include, but are not limited to:

- a. The disposition of the eviction claim;
- b. Whether the sealing of the record is agreed to or disputed by the opposing party;
- c. If the landlord received judgment on the eviction, the grounds upon which the judgment was granted;
- d. Whether the movant has satisfied any money judgment issued in favor of the opposing party in the eviction case; and
- e. Any other information relevant to the determination of whether justice requires the sealing of the record.

4. If the Court grants a Motion to Seal Eviction Record, the Clerk shall forthwith cause the Tenant's name to be redacted from all public records it maintains, including the electronic case index system, to the same extent that it would for a criminal sealing of records (formerly known as expungement). The Clerk shall retain both the electronic record of the action, and the physical file, should one exist, in accordance with its record retention policy. The Clerk shall ensure that the record of the case can be retrieved and unsealed, if ordered.

5. Sealing the record of an eviction does not authorize a tenant or former tenant to make a false statement regarding the filing or granting of the eviction.

6. Sealing the record restricts public access to the case record; it does not remove the record from the Court's electronic or paper docket. Access to the sealed record shall be limited to the Clerk of Court, the Clerk's designee, the Housing Court Judge, and the Judge's designee. A party to the original action may file a motion requesting access to the record or case file. The Court may provide access to the record as required by law enforcement officials or others conducting official government business.

7. A party to the original action may file a motion seeking to unseal the eviction record, setting forth in the motion and attached affidavit or brief, good cause why the record should be unsealed. Such good cause may include, for example, that the original movant was not

truthful in the motion to seal or that the sealing was procured through fraud. For good cause, the Court may unseal a record on its own motion, after notice to the parties to the case.

SECTION 7. RE-RENTAL PROHIBITED UNDER R.C. 1923.15

A. RE-RENTAL PROHIBITED

If it is established, during any action before the Court, that rental premises are maintained in violation of the Ordinances of the City of Cleveland, R.C. 4781.38 or R.C. 5321.04, the Court may order the owner/landlord to refrain from re-renting the premises until the violations are repaired.

B. MOTION TO VACATE ORDER PROHIBITING RE-RENTAL

Upon completion of repairs, the party against whom the order issued must file a motion to vacate the order prohibiting re-rental. The motion must be granted prior to re-rental of the premises.

C. EFFECT OF ORDER ON WRIT OF RESTITUTION

Issuance of an order prohibiting re-rental shall not affect the issuance of a writ of restitution.

SECTION 8. RENT DEPOSITS

A. RENT DEPOSITS

1. All rent deposits made with the Clerk pursuant to R.C. Chapter 1923 and/or R.C. 5321 shall be in cash, or by certified check or money order, made payable to the Clerk. The Clerk shall perform the ministerial function of accepting all rent that is tendered for deposit. The tenant shall be given a receipt for the deposit. No affidavit shall be required for the depositing of rent. If the tenant has questions about rent deposit procedures, the tenant should be referred to a housing court specialist.

2. All tenants depositing rent with the Clerk shall be required to provide the Clerk with the tenant's name and address, as well as the name and address of the landlord/owner, if known. If the landlord/owner has failed to disclose his/her name to the tenant as required by R.C. 5321.18, the tenant's failure to provide the landlord or owner's name shall not be a bar to a rent deposit.

B. RENT DEPOSIT ALTERNATIVE DISPUTE RESOLUTION

1. Rent deposits may be referred to Alternative Dispute Resolution Services (mediation or settlement conference) for the purpose of providing the landlord and tenant an opportunity to resolve the dispute.

2. Unless otherwise ordered by the Court, rent deposit ADR mediations or conferences are to be scheduled within fourteen (14) days after the tenant initially deposits rent. When the tenant deposits rent with the Clerk, the date, time and place where the conference will be held will be assigned. The Clerk will notify the landlord and tenant promptly of the scheduled conference. The Court, in its own discretion, may schedule additional conferences during the pendency of the rent deposit action.

3. The Clerk will send the rent deposit file to the ADR coordinator at least one (1) day prior to the hearing.

4. The ADR conference manager shall be a person assigned by the Housing Court to act as a neutral third party. The conference manager will not make findings of fact or judge the validity of the rent deposit. Information obtained by the conference manager solely from disclosures made during the conference shall not be considered by the Court in any subsequent action involving the same subject matter, transaction or occurrence as that involved in the ADR mediation conference. Either party, at any time prior to agreeing to a settlement, may withdraw from the conference without affecting his or her rights under law.

5. If the parties come to an agreement, the conference manager will assist in drafting the agreement, which may include release of rent to either or both parties or such other disposition of the funds on deposit as provided by R.C. 5321.07.

C. INFORMATION PROVIDED BY THE CLERK TO TENANTS DEPOSITING RENT

1. When a tenant deposits rent with the Clerk, the Clerk shall inform the tenant of the availability of rent depositing by U.S. mail. The Clerk shall also inform the tenant, orally and in writing of the following:
 - a. That the tenant should leave a forwarding address with the Clerk upon vacating the premises upon which the tenant has been paying rent to the Clerk;
 - b. That if the tenant fails to give the Clerk a forwarding address, the tenant may jeopardize his or her rights in connection with the rent on deposit; and
 - c. That an ADR mediation conference is scheduled in every rent deposit action and the tenant shall be given notice of the scheduled conference date by the Clerk at the time of the initial deposit of rent.

D. RENT DEPOSITING BY MAIL

Tenants must initiate a rent deposit action by depositing their rent in person with the Clerk during regular business hours. After the initial deposit is made, and the rent deposit account is established, a tenant may make successive rent deposits with the Clerk in person during regular business hours or by regular U.S. mail. A tenant who deposits rent by mail shall be sent a receipt by the Clerk. The Clerk shall provide any tenant who inquires about rent depositing the address to which deposits may be mailed. The tenant's rent shall be deemed deposited with the Court on the date of its posting by the Clerk (deposits usually will be posted within 24 hours of receipt). A tenant who deposits rent by mail must allow sufficient time for mailing and posting of the deposit by the Clerk. The Clerk shall retain the envelope in which the deposit has been mailed in the rent deposit file. The Court recommends that the tenant send his/her rent deposit by registered or certified mail.

E. RELEASE OF RENT ON DEPOSIT

To receive rent paid to the Clerk under R.C. 5321.07, the landlord must (i) file an Application for Release of Rent pursuant to R.C. 5321.09(A)(2) or (3) or (ii) obtain the tenant's written consent as indicated in R.C. 5321.09(A)(1) or a similar mediated agreement. Release of rent may also occur pursuant to the Court's order after determination of other claims of the parties to the rent deposit.

F. RELEASE OF RENT BY TENANT

Where a tenant signs a Tenant's Release Letter in person before the Deputy Clerk, certifying that the conditions about which the tenant complained have been corrected, the Clerk shall ask for identification (e.g. a driver's license) to assure that the signatory is the correct party. Where a release letter is not signed in person, the signature must be properly notarized. Each release letter shall be sent to the Housing Court Judge, with an Order for Release of Rent Deposit attached to it. Once the Judge signs the Order for Release of Rent Deposit, the money shall be sent to the landlord.

G. INACTIVE RENT DEPOSIT ACCOUNT

A rent deposit account initiated by a tenant shall be deemed "inactive" if and when there is no action on the account for a period of three (3) months. Such action includes a deposit of rent, filing of an application for release of rent, filing of a motion to compel repairs, or other pleadings by the tenant or landlord. If a tenant whose rent deposit account has become inactive wants to begin depositing rent again with the Court, the tenant will be required to provide the Clerk with his or her name and address, as well as the name and address of their landlord, if

known, and a new rent deposit account will be started by the Clerk. Inactive status will not result in the automatic release of the rent on deposit. See Rule 8(H).

H. APPLICATIONS FOR RELEASE OF RENT

A tenant/respondent may file a counterclaim regardless of whether the tenant/respondent files a written answer, but the counterclaim must be filed in writing pursuant to the Ohio Rules of Civil Procedure, unless otherwise ordered by the Court. Counterclaims may not be filed on the day of trial. The tenant/respondent shall serve a copy of the counterclaim upon the landlord/petitioner in accordance with the Ohio Rules of Civil Procedure.

L. TRIAL/PRETRIAL

1. Each Application for Release of Rent shall be scheduled for pretrial within twenty-one (21) days from the filing date or as otherwise ordered by the Court. Trial on an Application for Release of Rent shall be completed within sixty (60) days from the filing date, unless otherwise ordered by the Court for good cause shown. Prior to the date scheduled for

trial, the Court may schedule one or more opportunities for the parties to resolve their dispute through Alternative Dispute Resolution Services (mediation or settlement conference).

2. If either the petitioner or the respondent fails to appear at the time scheduled for trial, the claim or answer of the party appearing at trial may be deemed admitted. After examining the party appearing under oath concerning the claim or answer, and if the facts and law so require, the Court shall enter an order of judgment in accordance with this Rule for the party appearing. If neither the petitioner nor the respondent appears at the time scheduled for trial, the Court shall dismiss the claim without prejudice.

If requested by the tenant/petitioner, a housing court specialist shall provide procedural assistance in completing the application.

2. A landlord/respondent may file a counterclaim regardless of whether the landlord/respondent files a written answer, but the counterclaim must be filed in writing pursuant to the Ohio Rules of Civil Procedure, unless otherwise ordered by the Court. Counterclaims may not be filed on the day of trial. The landlord/respondent shall serve a copy of the counterclaim upon the tenant/petitioner in accordance with the Ohio Rules of Civil Procedure.

D. TRIAL ON APPLICATION TO REMEDY CONDITIONS

1. Each Application to Remedy Conditions shall be scheduled for trial twenty-one (21) days from the filing date or as otherwise ordered by the Court. Prior to, or on, the date scheduled for trial, the Court may schedule one or more opportunities for the parties to resolve their dispute through Alternative Dispute Resolution Services (mediation or settlement conference).

A photocopy of the original PJR, certified by the title company, may be filed with the Clerk in lieu of the original. The PJR shall become and remain a part of the court file in the action.

H. ABATEMENT BY INTERESTED PARTY

1. If the Court, after hearing, finds that the building involved is a public nuisance, and determines that the owner of the building previously has been afforded a reasonable opportunity to abate the public nuisance and has refused or failed to do so, and if the complaint requests an order requiring abatement of the nuisance, the Court shall offer any mortgagee, lien holder, or other interested party (as defined in R.C. 3767.41(A)(4)) associated with the property on which the building is located, in the order of the priority of interest in title, the opportunity to undertake the work and to furnish the materials necessary to abate the public nuisance.

2. Prior to selecting any interested party to abate the nuisance, the judge shall require the interested party to demonstrate the ability to promptly undertake the work and furnish the materials required, to provide the Judge with a viable financial and construction plan for the rehabilitation of the building as described in R.C. 3767.41(D) and Local Rule 11(K), and to post security for the performance of the work and the furnishing of the materials.

I. EXPENDITURES OF INTERESTED PARTY

2. Within sixty (60) days of journalization of the judgment entry pre-approving the expenditures, the interested party shall file with the Recorder a certified copy of the judgment entry, with a sufficient description of the property on which the building is located.

3. Within seven (7) days of filing in accordance with (B) above, the party shall file with the Clerk of this Court proof of that recording.

2. If the Judge determines at the hearing that no interested party is willing or able to undertake the work and to furnish the materials necessary to abate the public nuisance, or if the

Judge determines at any time after the hearing that any party who is undertaking corrective work pursuant to this division cannot or will not proceed, or has not proceeded with due diligence, the Judge may appoint a receiver pursuant to R.C. 3767.41 to take possession and control of the building.

3. The receiver may be a financial institution that possesses an interest of record in the building or property, a nonprofit corporation as described in R.C. 3767.41(B)(1) and (C)(3)(b), including the plaintiff, or any other qualified property manager.

The plan must contain all of the information that R.C. 3767.41(D) requires, including but not limited to: the estimated cost of the labor, materials, and any other development costs that are required to abate the public nuisance; the estimated income and expenses of the building and the property on which it is located after the furnishing of the materials and the completion of the repairs and improvements; the terms, conditions, and availability of any financing necessary to perform the work and to furnish the materials; and, if repair and rehabilitation of the building are found not to be feasible, the cost of demolition of the building or of the portions of the building that constitutes the public nuisance.

3. The plan must provide for completion of the nuisance abatement work within six (6) months from commencement of the work, unless the Court, upon the filing of a motion by the party seeking the appointment, and a showing of good cause, grants the party leave to submit a plan calling for a longer completion period.

L. APPROVAL OF PLAN

1. Within thirty (30) days after submission of the plan, the Court shall review the submitted financial and construction plan and inform the parties in writing of its action regarding the plan. The Court may accept, reject or modify the plan, or require that additional information be submitted.

2. The Court must approve the plan, and that order must be journalized, prior to the furnishing of materials or the commencement of work.

M. DEMOLITION

1. A party seeking an order for demolition of all or part of a building that constitutes a public nuisance must file with the Court and serve upon all parties a written motion seeking that order. The party must demonstrate that the repair and rehabilitation of the building are not feasible. This section does not apply to court-appointed receivers seeking demolition as part of a court-approved nuisance abatement plan.

2. At the time of filing of the motion for an order of demolition, the party seeking demolition must deposit with the Court an amount equal to the costs of demolition and, if any, of the receivership, and, if any, all notes, certificates, mortgages, and fees of the receivership. In the alternative, the party may attach to the motion evidence that such costs and fees have been paid. This section does not apply to Court-appointed receivers seeking demolition as part of a Court-approved nuisance abatement plan.

3. The Court's order ruling on the motion for demolition shall provide for the disbursement of funds deposited under this Rule.

N. BOND

The Court may require the receiver to post bond prior to executing the receiver's duties, in an amount fixed by the Judge, but not exceeding the value of the building involved as determined by the Judge.

If the request for receivership is granted, the Court may empower the receiver to take any of the actions specified in R.C. 3767.41, including (but not limited to) taking possession and control of the building, operating and managing the building, establishing and collecting rents and income, paying expenses, entering into contracts for the performance of work, and entering into financial transactions to secure financing for the performance of work.

2. The entry of appointment of the receiver shall specify the duties and powers granted to the receiver in the specific case.

3. To ensure the stability of the property or building during the action, and the safety of its occupants and neighborhood residents, the Court may order periodic inspections of the premises by the receiver, the City, a Housing Court staff person, or other entity. The Court as needed may schedule status hearings and issue orders based upon these inspections.

P. STATUS HEARINGS

1. The Court shall schedule periodic status hearings to monitor the progress of work at the property. Status hearings shall be held no less frequently than every sixty (60) days.
2. The receiver shall be required to attend the status hearings, and must produce for the Court a current status report regarding the abatement of the nuisance, including financing, work performed, work scheduled, and expenses incurred.

- c. The video arrangements allow the defendant to speak, and to be seen and heard by the Court;
- d. The Court makes provision to allow for private communication between the defendant and counsel. The Court shall inform the defendant on the record how to, at any time, communicate privately with counsel. Counsel shall be afforded the opportunity to speak to defendant privately and in person. Counsel shall be permitted to appear with defendant at the remote location if requested; and
- e. The proceeding may involve sworn testimony that is subject to cross examination, if counsel is present, participates and consents.

2. The defendant may waive, in writing or on the record, the defendant's right to be physically present under these rules with leave of court.

3. Where a defendant's conduct in the courtroom is so disruptive that the hearing or trial cannot reasonably be conducted with the defendant's continued physical presence, the hearing or trial may proceed in the defendant's absence or by remote contemporaneous video, and judgment and sentence may be pronounced as if the defendant were present. Where the Court determines that it may be essential to the preservation of the constitutional rights of the defendant, it may take such steps as are required for the communication of the courtroom proceedings to the defendant.

4. *Attire.* Appropriate courtroom attire, whether in a traditional courtroom or a virtual one, helps preserve the dignity of the occasion and promotes public trust and confidence in the judicial proceeding. Therefore, judges, magistrates, attorneys, parties and witnesses should dress for virtual court hearings just as they would dress if they were appearing in a traditional courtroom. The Court will determine the specific dress code for his or her court.

E. RECORDINGS IN VIRTUAL HEARINGS AND MEDIATIONS

1. The hearing may be recorded by the Court in any manner permitted by statute, rule or administrative order of the Cleveland Housing Court. If a settlement agreement is achieved at a settlement conference or at a mediation, the end of the discussion may be recorded for the sole purpose of memorializing the agreement between the parties.

2. Except as noted above, no electronic device or other means may be used by a party, attorney, witness, or any other person to capture images, videos, or sound recordings of any portion of a virtual court hearing without the express written consent of the court. Any person violating this rule may be held in contempt of court.

F. EXHIBITS

All exhibits offered into evidence during a virtual hearing must comply with the Ohio Rules of Evidence. All exhibits must be filed with the Clerk's Office at least seven (7) days before the hearing date and time, or as otherwise ordered by the Court. All exhibits must be properly served on the opposing party at least seven days before the hearing date and time, unless otherwise approved by the Court.

G. AUDIO, VIDEO OR OTHER TECHNICAL PROBLEMS

If the Court determines at any time that the audio or video connection is so poor as to interfere with the fair administration of justice, the hearing shall be postponed until such time as a better connection can be obtained or the matter can be set for an in-person court proceeding. However, it shall be the responsibility of a party or counsel for a party to promptly inform the Court if there has been a disruption at their end of the communication that substantially interferes with his or her ability to see or hear what is occurring during the video conference. An objection to the quality of an audio conference or a video conference should be made at the time the connection is substantially impaired or at a reasonable time thereafter.

H. COURT'S DISCRETION TO MODIFY RULE

1. The Court holds the discretion to modify or change the rules governing virtual court hearings.
2. The Court may require a party to appear in person at a hearing, conference, or proceeding if the court determines on a case-by-case basis that a personal appearance would materially assist in the determination of the proceedings or in the effective management or resolution of the particular case.
3. After a party has requested a telephone or video appearance, if the Court requires the personal appearance of the party, the Court must give reasonable notice to all parties before the hearing and may continue the hearing if necessary to accommodate the personal appearance. The Court may direct the Clerk, a court-appointed vendor, a party, or an attorney to provide the notification.
