

CLEVELAND MUNICIPAL COURT

HOUSING DIVISION

CITY OF CLEVELAND

Plaintiff

v.

Case Number: _____

JUDGE CHERYL M. WILTSHIRE

Defendant (print name)

WAIVER OF RIGHT TO AN ATTORNEY

I, _____, (print name) Defendant, charged with an offense(s) in this court, have been advised (informed) of my rights as follows:

1. I have the right to retain or consult with counsel (an attorney) even if I intend to plead guilty or no contest. Crim. R. 10(C)(1) and Crim R. 44.
2. I have the right and have been accorded with the right to a reasonable continuance in the proceedings to secure counsel. Crim. R. 10(C)(1) and Crim. R. 44.
3. I have the right to have counsel assigned to me at no cost if I am unable to employ counsel. Crim. R. 10(C)(2) and Crim. R. 44.

I acknowledge that I have been advised of the possible penalty the judge could impose if I plead guilty or no contest pursuant to a plea offer or if I am convicted at trial of an offense with which I am charged. I understand the possible penalty may include jail time, monetary fine, community service, and/or a period of community control (probation).

Further, I acknowledge that I have been advised of the meaning of a guilty plea, no contest plea and not guilty plea. Further, I acknowledge that I have been advised that I will be held to the same rules of evidence, procedure and substantive law as the prosecuting attorney and that the Judge shall remain impartial and cannot assist me or be lenient with me in any way. I understand that there may be defense to the charges against me that I am not aware of because I am not thoroughly trained in the law. I may be unaware of rights that would be to my advantage to assert. I may lose those rights if I do not assert them. I understand that the judge, prosecutor, and court staff cannot give me legal advice or help me defend myself at trial.

After having been advised of my rights to an attorney, I fully understand them and have no additional questions for the court. I have considered my rights carefully and hereby waive (give up) my right to be represented by an attorney. I do this knowingly, intelligently and voluntarily; no one has forced or coerced me in any way, nor has anyone made any promises to make me waive my rights to an attorney.
